DAVID LIEBMAN GROUP: NEW VISTA

FEATURING VIC JURIS, CAFÉ, PHIL MARKOWITZ, TONY MARINO, & JAMEY HADDAD

Jazz Soprano Sax virtuoso Dave Liebman and his group, together the great Brazilian percussionist Café, break new ground in this inspired CD. Mixing Brazilian rhythms with penetrating ballads, this recording fuses Jazz with Brazilian influences; culminating in an exhilarating recording of Dave Liebman's individual musical vision that Liebman himself called his "most upbeat release to date."

"New Vista is an extraordinary adventure... one of contemporary music's true innovators... a landmark in Liebman's distinguished career... it's serious & joyous fun by one of our great contemporary artists."

DAVID LIEBMAN ENSEMBLE: JOHN COLTRANE'S MEDITATIONS

FEATURING BILLY HART, CECIL MCBEE, TIGER OKOSHI, TONY MARINO, & OTHERS

On this original and creatively impressive album, recorded live at New York's Symphony Space, Liebman not only recreates John Coltrane's groundbreaking masterpiece, but re-envisions the album, breathing new life into the masterpiece and staking his claim as one of the most imaginative musicians of his generation; and in doing so bestows his continual inventiveness and fresh legacy on the world of Jazz.

"...profoundly moving... From it's soul stirring levels of grandeur, to the solemn peace of its final seconds, performances like these are why music is worth revisiting."

DAVID LIEBMAN: THE ELEMENTS - WATER

FEATURING PAT METHENY, BILLY HART, & CECIL MCBEE

Teaming up with guitar icon Pat Metheny, David Liebman, who plays tenor saxophone, soprano sax, & wood flute, musically explores Water, giver of life and refresher of souls. The combination of Liebman & Metheny on this album is stunning. While the album leans towards Jazz's less traditional sensibilities, it also contains an earthy quality that culminates in an organic yet contemporary album that's both accessible & inventive.

"A Jazz concept album that actually works... the combination of Liebman & Metheny is particularly strong... a potent reminder that there is far more to Jazz in the '90s than the more frequently heard, retro examinations of the past"

DAVID LIEBMAN: LIEBMAN PLAYS PUCCINI - A WALK IN THE CLOUDS

FEATURING PHIL WOODS, PHIL MARKOWITZ, TONY MARINO, VIC JURIS, & OTHERS

This album's combination of opera arias being performed in the language of Jazz is an ambitious musical achievement. Saxophone legend Dave Liebman creates a textured album that satisfies the Jazz fan while reaching out to Opera lovers, who will find this album to be a refreshing and innovative reinvention of their Puccini classics. This impressive fusion of Puccini compositions and Liebman's uninhibited Jazz artistry blend into an thoughtful and soulful album that will satisfy open-minded fans of both musical traditions.

"Liebman has risen to the head of not just one, but several movements. With his sophisticated harmonic approach and vast technique, he is still regarded as a saxophonist's saxophonist; one of the few to absorb fully and build upon the Coltrane ideal."
