

# THE MESSAGE THERAPY VIDEO LIBRARY

The first truly professionally produced DVDs for the Massage Industry, these multi-camera productions are enhanced with slow-motion, freeze-frame, close-ups, original music, educational graphics, & angled views of the hands-on demonstrations. Filmed at the International Sports Massage Conference & hosted by a virtual Who's Who of professionals on the leading edge of Sports Massage, these films have introductions & testimonials from Jackie-Joyner Kersee & Bill Rodgers. In addition to learning new techniques & keeping up to date, these programs cover important marketing tips that will help you promote these newly acquired skills & expand your business.

THE MESSAGE THERAPY VIDEO LIBRARY consists of the following 12 Volumes
