THE MASSAGE THERAPY VIDEO LIBRARY CALLOG

This 12-volume series documents the latest developments in Sports Massage and is an invaluable tool for review, reference, and continuing education. In addition to learning new techniques and keeping up to date with the industry, these programs cover important marketing tips that will help you market and promote these newly acquired skills and expand your business.

The first truly professionally produced videos for the massage industry, these broadcast quality multi-camera productions are enhanced with slow-motion, freeze-frame, close-ups, original music, electronic graphics and angled views of the hands-on demonstrations. They are also conveniently broken into appropriate chapters with review sections, so you can select your own areas of interest for repeated viewing.

Filmed at the International Sports Massage Conference, these programs are hosted by a virtual Who's Who of professionals on the leading edge of Sports Massage, including Benny Vaughn, Rich Phaigh, Carol Kresge, Richard Royster, Dr. Louis Leonardi, Patrice Morency, Linda Jaros and others.

Only \$39.95 each, you save \$80 when ordering the complete 12-volume set for only \$399. You will also receive notices of new volumes automatically.

HEALTHY MASSAGE

Approx. 30 minutes each

A three part series of professional Swedish massage and Shiatsu acupressure instruction taken from "Massage Your Mate." Each tape focuses on a different part of the body. The complete version of "Massage Your Mate" contains extra chapters on the arms, hands and abdomen.

Reprinted from The Massage Journal of The American Massage Therapy Association:

There are four major uses of the VCR: 1) Teaching a new or novel concept to other massage professionals; 2) As a back-up device for public lecture, demonstration or workshop; 3) As an in-house promotional device for increasing business at a trade show or health club; and 4) As an income producing product.

These programs are the only videos on the market that can be used effectively for all four purposes.
