The Greatest Hits of Freddie Mercury & Queen Set to Thrilling Sports Action

Legendary Rock group QUEEN was led for two decades by the charismatic flamboyance of lead singer Freddie Mercury. Together with drummer Roger Taylor, lead guitarist Brian May, and bassist John Deacon, the Rock quartet carved out a unique and lasting place in Rock 'n' Roll history, creating classics such as *Bohemian Rhapsody* and *Crazy Little Thing Called Love*.

The spirit of Queen's soaring melodies, layered harmonies, grandiose arrangements, and ferociously pounding rhythms are beautifully reinterpreted by one of the world's foremost Classical orchestras, The Royal Philharmonic, led by Louis Clark, creator of the international hit series *Hooked On Classics*.

Meticulous editing of spectacular sports footage is an intoxicating and hypnotic visual accompaniment that

truly captures the feeling of Queen's music and lyrics.

V.I.E.W. is proud to present this combination of the iconic hit songs of Queen, music from the ensemble widely considered the National Orchestra of England, the compositions and arrangements of Louis Clark, and live-action international sports footage, resulting in an exhilarating and absorbing DVD.
